PROFESSIONAL EXPERIENCE

Marketing Strategist / Analyst | 1-800 Contacts — Draper, UT

- **Large-Scale Analysis:** Analyzed max CPC versus smart bidding, brand and non-brand CPA, audiences, promotions, attribution, lifetime value, Performance Max, and Google Shopping to guide media decisions.
- **Data & Forecasting:** Built regression-based scenarios for holdouts, geo-promotional offers, scale-ups, scale-downs, and channel reallocations, including an additional \$10M investment question.
- **Automated Reporting:** Used Python, SQL, Databricks, Excel, Funnel.io, and Tableau to automate accurate weekly reporting across more than 10 marketing platforms.
- **Funnel Measurement:** Tested reach, comparison, micro-conversion, conversion, click-to-call, and internal LTV outcomes to connect media activity with business value.

Director of Digital Marketing | GRIP6 — Midvale, UT

- **Paid Media Growth:** Managed Google, Bing, Amazon, Meta, Instagram, and TikTok with a \$400K monthly budget; increased monthly volume from \$200K to \$800K while improving ROAS from 1.5 to 3.5.
- **Analytics Implementation:** Implemented custom GA4 and Google Tag Manager reporting and built Looker Studio KPIs supporting website, email, inventory, engineering, management, and budget decisions.
- **SEO Integration:** Advised the webmaster on SEO best practices and on-page optimization, connecting organic search, website changes, paid media, and business priorities.
- **AI & Automation:** Applied AI marketing tools, statistical modeling, custom monitoring scripts, and human-assisted JavaScript automation to improve efficiency and decision quality.

Director of E-Commerce & Marketing | Intercon Inc. — Salt Lake City, UT

- **Ecommerce & Lead Gen:** Led ecommerce and marketing for a large distributor and managed paid search, outreach, lead generation, and customer acquisition across the United States, Canada, and the UK.
- **Complex Business Context:** Supported a complex B2B operation with 650+ retailers while expanding B2C platforms, marketplace operations, databases, and cross-functional reporting.
- **Client Portfolio:** Built and managed 75+ Google Ads accounts totaling more than \$276K per month across clients with different industries, budgets, audiences, and objectives.
- **Integrated Recommendations:** Worked directly with clients to allocate funds across paid search, display, remarketing, YouTube, social, SEO, email, and website development based on business needs.

SEM Manager / Project Manager | The Infinite Agency — Dallas, TX

- **Client Reporting:** Consolidated data through Funnel.io and presented Looker Studio reporting, translating account analysis into actionable channel, budget, and optimization recommendations.
- **Testing & Attribution:** Created conversion and attribution models, multivariate tests, and continuous monitoring scripts; developed a standardized quality system adopted across the agency.
- **Ad Copy & Landing Pages:** Created search and display ad copy using Adobe design software and optimized landing pages, bids, offers, and conversion paths through keyword and audience analysis.
- **Creative Collaboration:** Partnered with web development and other departments on site changes, promotions, measurement, content alignment, and customer-acquisition priorities.

E-Commerce Manager | LifeSpan Fitness — Salt Lake City, UT

- **Team Leadership:** Led an eight-person ecommerce department and coached cross-functional stakeholders while managing paid search, outreach, lead generation, and customer acquisition.
- **Revenue & Scale:** Managed 150+ campaigns and a \$400K budget across Google, Bing, Gemini, and Amazon, producing more than \$9M in revenue—35% of company revenue.
- **Account Optimization:** Conducted keyword, audience, competitive, funnel, and conversion-path analysis; developed bid strategies and experiments; and monitored campaign performance.
- **Cross-Channel Execution:** Managed Search, Shopping, Display, Remarketing, Video, email, social, local, and mobile campaigns using advertising editors, Excel, and analytics platforms.
- **Client-Facing Leadership:** Set goals, annual projections, and KPIs with senior management and translated large quantities of marketing data into practical decisions for technical and business teams.
