- Successfully launched B2C e-commerce channel while protecting 650+ B2B retailer relationships

PROFESSIONAL EXPERIENCE

Marketing & AI Integrations Manager

2024 – Present

ILT Marketing — Utah

Provide strategic digital marketing and AI integration services to clients across healthcare, home services, industrial equipment, and e-commerce sectors. Implemented AI-assisted workflows using ChatGPT and Claude to accelerate content development and competitive analysis. Built automated reporting systems connecting marketing APIs with Google Cloud Console. Developed SEO strategies using Ahrefs and Perplexity for research-driven optimization. Created marketing automation pipelines in Go High Level integrating CRM and lead nurturing. Leveraged Cursor and Codex for custom marketing tools development. Recently adopted Gemini and Manus to expand AI capabilities for multi-modal content and autonomous task execution.

Marketing Strategist/Analyst

November 2022 – June 2024

1-800-Contacts — Draper, UT

Conducted advanced marketing analysis for established DTC brand including customer lifetime value analysis, promotional effectiveness testing, and channel optimization. Built Tableau dashboards and automated reporting systems collecting data from 10+ marketing channels. Developed predictive models for budget allocation and performed attribution modeling to optimize investments.

Director of Digital Marketing

May 2022 – November 2022

GRIP6 — Midvale, UT

Led brand marketing and e-commerce initiatives for a growing DTC consumer products company. Managed marketing strategy across Google, Meta, Amazon, and TikTok with \$400K monthly budget. Achieved 4x revenue growth while improving marketing efficiency. Developed KPI dashboards in Google Looker Studio and created inventory forecasting methodology enabling better coordination between marketing and operations.

Director of E-Commerce/Marketing
Intercon Inc. — Salt Lake City, UT

February 2018 – April 2022

Transformed traditional B2B distributor into multi-channel e-commerce operation. Led cross-functional collaboration with IT, Operations, Finance, and Product Development. Launched B2C channel and expanded to Amazon, Target.com, and Costco.com while protecting 650+ retail partner relationships. Developed e-commerce products with manufacturers and coordinated inventory planning across departments.

E-Commerce Manager
LifeSpan Fitness — Salt Lake City, UT

July 2014 – September 2016

Managed 8-person e-commerce team driving \$9M+ in annual revenue across US, Canada, and UK markets. Oversaw brand campaigns, paid media, and customer acquisition. Created business goals and KPIs with senior leadership. Managed full marketing mix including search, display, social, email, and affiliate channels.
