PROFESSIONAL EXPERIENCE

Marketing Strategist / Analyst | 1-800 Contacts — Draper, UT

- **Investment Strategy:** Built regression-based scenarios to evaluate an additional \$10M investment, comparing holdouts, promotional offers, scaling decisions, and cross-channel budget reallocations.
- **Incrementality & Customer Value:** Analyzed incremental CPA, customer lifetime value, data-driven attribution, brand/non-brand bidding, affiliate commissions, and the Performance Max/Shopping mix.
- **AI & Funnel Analysis:** Used Namogoo for AI-assisted promotion analysis; evaluated audiences, reach-to-conversion funnels, Click-to-Call systems, and iSpot measurement for TV/OTT campaigns.
- **Reporting Automation:** Used Python, SQL, Databricks, Excel, Funnel.io, and Tableau to automate accurate weekly reporting across more than 10 marketing platforms.

Director of Digital Marketing | GRIP6 — Midvale, UT

- **Paid Media Growth:** Managed Google, Bing, Amazon, Meta, Instagram, and TikTok with a \$400K monthly budget; increased monthly volume from \$200K to \$800K while improving ROAS from 1.5 to 3.5.
- **Business Visibility:** Built Looker Studio KPIs supporting inventory planning, engineering, management, web development, email effectiveness, and cross-platform budget decisions.
- **Measurement & Website Partnership:** Implemented custom GA4 and Google Tag Manager reporting and advised the webmaster on SEO best practices and on-page optimization.
- **Inventory Planning:** Created a shared planning methodology and spreadsheet used across departments to support inventory decisions.

Director of E-Commerce & Marketing | Intercon Inc. — Salt Lake City, UT

- **Commerce Leadership:** Led ecommerce and marketing for a large B2B distributor, adding multiple B2C platforms while supporting 650+ retail partners.
- **Product & Marketplace Expansion:** Developed ecommerce-specific products with manufacturers, improved supply-chain processes, and worked across Amazon Vendor/Seller Central, CastleGate, Target.com, and Costco.com.
- **Commercial Decisions:** Performed daily financial analysis to identify product niches, guide development, and evaluate projects through cost/benefit analysis.
- **Cross-Functional Leadership:** Worked with IT, operations, finance, product development, HR, and sales leaders to improve systems, reporting, collaboration, and project delivery.

SEM Manager / Project Manager | The Infinite Agency — Dallas, TX

- **Agency Account Portfolio:** Built and managed 75+ Google Ads accounts totaling more than \$276K per month across clients with distinct business needs and budgets.
- **Channel Strategy:** Advised clients on allocating funds across search, display, remarketing, YouTube, social, SEO, email, and website development based on business goals and account analysis.
- **Performance Communication:** Consolidated data through Funnel.io and presented Looker Studio reports to support client decisions about performance and marketing investment.
- **Testing & Quality Standards:** Created conversion and attribution models, multivariate tests, continuous monitoring scripts, and a standardized Google Ads quality system adopted across the agency.

E-Commerce Manager | LifeSpan Fitness — Salt Lake City, UT

- **Team & Acquisition Leadership:** Led an eight-person ecommerce department responsible for paid search, outreach, lead generation, and customer acquisition in the United States, Canada, and the UK.
- **Revenue & Scale:** Managed 150+ campaigns and a \$400K budget across Google, Bing, Gemini, and Amazon, producing more than \$9M in revenue, or 35% of company revenue.
- **Creative & Conversion Testing:** Created search and display ad copy using Adobe design software; ran bid experiments, landing-page optimization, and A/B and multivariate tests.
- **Channel Execution:** Managed search, shopping, display, remarketing, video, email, and social campaigns; developed an affiliate strategy and JavaScript-assisted campaign automation.
- **Executive & Web Partnership:** Set business goals, annual projections, and KPIs with senior management; worked with web development and used competitive analysis to guide campaign decisions.
