PROFESSIONAL EXPERIENCE

Marketing Strategist / Analyst | 1-800 Contacts — Draper, UT

- **Portfolio & Team Leadership:** Managed \$30 million per month with a team of four, using channel, customer, and financial analysis to guide investment, acquisition, and portfolio decisions.
- **Experimentation Strategy:** Evaluated brand holdouts, geo promotions, scale changes, max-CPC versus smart bidding, audiences, lifetime value, data-driven attribution, and full-funnel tests.
- **Investment Modeling:** Built five-year projections and regression-based scenarios to forecast outcomes and recommend how an additional \$10 million should be allocated across channels, promotions, and tests.
- **Analytics Automation:** Used Python, SQL, Databricks, Excel, Funnel.io, and Tableau to blend data and automate accurate weekly reporting across more than 10 marketing platforms.

Director of Digital Marketing | GRIP6 — Midvale, UT

- **Paid Social Ownership:** Managed Facebook, Instagram, and TikTok alongside Google, Bing, and Amazon across a \$400K monthly marketing budget, personally connecting channel activity to growth goals.
- **Acquisition Efficiency:** Increased monthly volume from \$200K to \$800K while improving ROAS from 1.5 to 3.5 through hands-on analysis, testing, and optimization.
- **Measurement & Dashboards:** Implemented custom GA4 and Google Tag Manager reporting and built Looker Studio KPIs connecting acquisition results with inventory, engineering, and management priorities.
- **Cross-Functional Execution:** Partnered across inventory, engineering, management, web development, and email while guiding SEO, website optimization, planning, and cross-platform budget decisions.

Director of E-Commerce & Marketing | Intercon Inc. — Salt Lake City, UT

- **Growth-System Development:** Led all aspects of ecommerce and marketing for a large B2B distributor, built a functional digital environment, and expanded into B2C channels while supporting 650+ retail partners.
- **Opportunity Analysis:** Used daily financial and market analysis and project-by-project cost/benefit decisions to identify niches, guide product development, evaluate channel economics, and prioritize revenue opportunities.
- **Platform Expansion:** Developed ecommerce-specific products with manufacturers, improved supply-chain processes, and expanded Amazon operations into CastleGate, Target.com, Costco.com, and other channels.
- **Cross-Functional Leadership:** Worked with IT, operations, finance, product development, HR, and sales to implement technology, process, cultural, and operating change and improve collaboration.
- **Data & Reporting:** Developed and maintained cross-department databases supporting consistent product, financial, and marketing data and more accurate business reporting.
- **Operating Systems:** Established information architecture and ERP workflows and introduced systems that improved productivity, transparency, collaboration, and project execution.

SEM Manager / Project Manager | The Infinite Agency — Dallas, TX

- **Multi-Channel Acquisition:** Advised clients on paid search, display, mobile, remarketing, YouTube, social, websites, SEO, and email, translating business needs and analytical findings into channel plans.
- **Hands-On Campaign Scale:** Built and managed 75+ Google Ads accounts totaling more than \$276K per month and created a standardized quality system adopted agency-wide across clients of different sizes.
- **Attribution & Testing:** Developed conversion and attribution models and multivariate tests to improve audience, message, channel, and landing-page decisions, then consolidated reporting in Funnel.io and Looker Studio.
- **Campaign Automation:** Created custom scripts for continuous monitoring of client marketing activity, budget oversight, and faster identification of performance problems across a multi-account portfolio.
- **Client Analytics:** Studied each account with industry analytical tools and converted the findings into data-driven recommendations for spend, channels, audiences, and optimization priorities.
- **Reporting Visibility:** Consolidated multi-source performance data in Funnel.io and presented results through Looker Studio to make account decisions clearer for clients and internal teams.

E-Commerce Manager | LifeSpan Fitness — Salt Lake City, UT

- **Multi-Market Acquisition:** Led an eight-person ecommerce team responsible for paid search, outreach, lead generation, and customer acquisition in the United States, Canada, and the UK.
- **Revenue Impact:** Managed 150+ campaigns and a \$400K budget across Google, Bing, Gemini, and Amazon, producing more than \$9M in revenue - 35% of company revenue - through disciplined acquisition management.
- **Creative & Channel Execution:** Performed keyword, audience, channel, trend, and competitive research; created ad copy and creative with Adobe tools; and managed display, mobile, video, social, email, shopping, and remarketing programs.
- **Conversion Optimization:** Built attribution models, analyzed funnels and conversion paths, optimized landing pages, developed bid strategies and experiments, and ran A/B and multivariate tests to improve acquisition performance.
- **Performance Management:** Established annual goals, projections, and KPIs with senior management and reported large volumes of business data using Google Analytics, Magento, ACCTivate, QuickBooks, Excel, and platform analytics.
- **Bid & Workflow Automation:** Created advanced bid strategies and experiments and used human-assisted JavaScript automation to adjust campaigns around promotions and business goals.
- **Web & SEO Collaboration:** Partnered with web developers, monitored SEO and SEM with multiple tools, and connected site improvements with campaign, conversion, and revenue objectives.
